Friends, the federal government requires that cities throughout the country do a point-in-time count during the last week in January each year to count the number of unsheltered people living on the street.

Nearly 4,000 volunteers are being recruited from throughout the county to fan out from the Antelope Valley to the Long Beach harbor.

The Hollywood count will occur on **Thursday evening, January 26 at 10 p.m.** We still need about 50 volunteers for that evening. It is an eye-opening experience, and you will be assigned to a team of three or four and given one census track to walk or drive. You will be given a clipboard, a pen and a flashlight. All you need is a warm coat and some good walking shoes. The Arclight has generously provided free parking.

If you are interested in helping out next week, here is the web portal to volunteer:

<http://www.theycountwillyou.org/>

Thank you for your help!
